Subject — Regarding the grant of the privilege to Mandya Municipality for having an elected President

---

In forwarding herewith a copy of D O letter No Nil dated the 17th October 1941 received from the President, Municipal Council, Mardya, on the above subject, I have the honour to invite kind reference to your letter No L 1878/Ml 62-40-8 dated 31st August 1940 conveying the views of Government in this regard and to state as follows -

The Municipal Council, Mandya, resolved at their meeting held on 12th September 1940 that the privilege of electing their own president might be extended to them with effect from the date of re-constitution of the Municipal Council, i e , from 1st February 1941 Mr B S Raghavendra Rao, my predecessor in office, returned the reference stating that he was unable to write to Government to reconsider their orders as no special reasons had been given by the Municipal Council in support of the resolution

Again, the Municipal Council resolved at their meeting held on 23rd November 1940 that a non-official President was necessary as the District Treasury Officer Cum the Personal Assistant to the Deputy Commissioner, who is the Ex-Officio President of the Municipal Council could not pay adequate attention to Municipal work in the midst of his multifarious duties

This was also returned as the reasons given were not convincing

The Municipal Council was re-constituted with effect from 1st February 1941 and many Congress candidates have been returned and they form the majority in the Council i e , out of the 15 elected Councillors, 11 are Congress candidates, the total strength of the Council being 21 including the President and the two official members The question of electing a non-official President to the Municipal Council appears to have been brought up for discussion again at the meeting of the Council on 2nd August 1941 and the subject when put to vote is seen to have been carried by 9 votes from Congress candidates against six from others, two of the Councillors remaining neutral This resolution of the Municipal Council has been submitted by the President for favour of orders of Government

Ever since the constitution of the present Municipal Council there have been two bitterly opposed parties in the Council and no useful work could be done and the Municipal Council in fact have been unable to manage their affairs smoothly and efficiently The Council are often disagreed with regard to very ordinary and routine matters and as such it has not been quite possible for them to get through any real constructive work though it is over eight months since they were elected Their attitude towards the official circle cannot be said to be cordial at all as could be seen from the secret branch report for the week ending 25th September 1941 sent by the District Superintendent of Police, Mandya - copy of which is enclosed herein for reference They do not hesitate even to perpetrate unauthorised acts, much to the detriment of the public

Further, they do not seem to have any desire to co-operate with the President in effecting any progress towards the welfare of the people though every possible concession has been shown to the Council in the matter of delegation of powers and other privileges Again the relationship of the Council with the public is in no way congenial and there is considerable dissatisfaction regarding their work which has shown no tangible progress If this state of affairs should continue, I am afraid, the Council will have to be superseded

in the interest of the better management of the Municipal ~~A~~ affairs

In view of the foregoing facts, I am not in favour of extending the privilege of electing its own President to this Municipality for some time to come As this question is being pressed by the Municipal Council repeatedly, I request you kindly to obtain the orders of Government declining to concede this request of the Municipal Council

A copy of report No H C 70/40 dated 19th August 1941 together with its enclosures, a copy of D O letter No Nil dated the 17th October 1941 of the President, Municipal Council, Mandya, and a copy of report received from the District Superintendent of Police are enclosed herewith for kind reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

I have the honour to submit herewith a copy of the resolution of the Municipal Council, in their adjourned meeting held on 2nd August 1941 regarding their proposal to have an elected non-official President to the Council together with copies of the several other resolutions passed from time to time during the past one year, on the subject for favour of kind perusal. In this connection, I wish to add that your recent Memo No A5 C 143/40-41 dated 25th July 1941 on the same subject stating that the proposals already submitted in this office report No H C 70 dated 27th November 1940 could not be recommended etc , was also placed before the Council at the time of the discussion of this subject The council after considering all points, have resolved to that effect As desired by the Council, I have submitted all the copies of the resolutions up to date on the subject for your kind perusal and such action as you deem necessary in the matter

With reference to your Demi-official letter of the 10th instant regarding the grant of a non-official President to the Mandya Town Municipality, I write to state that I am of the opinion that the question of granting a non-official President to the said Municipality may be deferred for some time yet

There are at present two bitterly opposed parties in the Council, viz , the Congress and the Independents The Congress party have a small majority of one member

As you are aware very little constructive work is being done in the Municipality owing to the lack of co-operation in the Council and there are differences and disputes over routine and very trivial matters between the members themselves I would like to bring it to your kind notice that such a spirit has been prevailing only since the advent of the new Council, which is more interested in furthering its own party ends rather than seeing that a spirit of co-operation prevails for the general welfare of the public, which have in many cases expressed dissatisfaction with the methods adopted by the Council The grant of a non-official President, at this juncture would only increase the friction and discontent in the Council In this connection, I would invite your kind reference to the latest resolution in the Council, where nine members - all of the Congress party - voted in favour of having a non-official President, six were opposed and two were neutral

As such I am of the opinion that the question of granting a non-official President may be deferred until such time when the Municipality is able to settle its differences and a spirit of co-operation prevails among the Councillors for the welfare of the general public in Mandya
